Dear Ms. Tina Chao:

The Energy Efficiency investigation of your product has been completed under the above project number and the subject product was determined to comply with the following ENERGY STAR® Program Requirements:

ENERGY STAR Program Requirements Product Specification for Computers, Version 5.2

Products that bear the ENERGY STAR mark shall be identical to those that were evaluated by UL and found to comply with ENERGY STAR requirements. If changes in construction will be implemented that could potentially alter the energy consumption of these products, these must be reported to UL for review.

Thank you for your business, and we hope UL will continue to be your ENERGY STAR partner of choice.

Sincerely,

Michael Shows
