

## Qualified Vendors List – Devices

| <b>SATA RAID Controllers</b> |                     |
|------------------------------|---------------------|
| <b>Vender</b>                | <b>Model</b>        |
| <b>Areca</b>                 | <b>ARC-1200</b>     |
| <b>3Ware</b>                 | <b>9650SE-4LPM</b>  |
| <b>Adaptec</b>               | <b>1430SA</b>       |
| <b>3Ware</b>                 | <b>9650SE-4LPML</b> |
| <b>Adaptec</b>               | <b>1220SA</b>       |

| <b>SAS RAID Controllers</b> |                      |
|-----------------------------|----------------------|
| <b>Vender</b>               | <b>Model</b>         |
| <b>Adaptec</b>              | <b>ASR-6805</b>      |
| <b>Adaptec</b>              | <b>ASR-6445</b>      |
| <b>Adaptec</b>              | <b>ASR-5805Z</b>     |
| <b>LSI</b>                  | <b>3442E-R</b>       |
| <b>LSI</b>                  | <b>9240-8i</b>       |
| <b>LSI</b>                  | <b>9260-8i</b>       |
| <b>LSI</b>                  | <b>9280-8e</b>       |
| <b>LSI</b>                  | <b>3041E-R</b>       |
| <b>Promise</b>              | <b>TX8660</b>        |
| <b>Areca</b>                | <b>ARC-1880ix-16</b> |
| <b>3ware</b>                | <b>9690SA-4I</b>     |
| <b>LSI</b>                  | <b>8708ELP</b>       |
| <b>Promise</b>              | <b>EX8658</b>        |

| <b>Gigabit LAN Controllers</b> |                                                                                |
|--------------------------------|--------------------------------------------------------------------------------|
| Vender                         | Model                                                                          |
| ASUS                           | <i>PEB-G21</i>                                                                 |
| Intel                          | <i>PRO/1000 PT Dual Port Serer Adapter</i>                                     |
| Intel                          | <i>Intel(R) Ethernet Server Adapter I340-T2</i>                                |
| Intel                          | <i>Intel PRO/1000PT Quad Port LP</i>                                           |
| Intel                          | <i>Intel(R) Ethernet Server Adapter I350-T2</i>                                |
| Intel                          | <i>10 GigabitCX4 Dual Port Server Adapter</i>                                  |
| Intel                          | <i>Intel 10 Gigabit AF DA Dual Port Server Adapter</i>                         |
| Intel                          | <i>X520-DA2</i>                                                                |
| Silicom                        | <i>Silicom PEG2BPi Dual Port Copper Gigabit Ethernet Bypass Server Adapter</i> |
| Silicom                        | <i>PEG4BPi Quad Port Copper Gigabit Ethernet Bypass Server Adapter</i>         |
| Intel                          | <i>PRO/1000ET Quad Port</i>                                                    |
| Intel                          | <i>Gigabit CT2 Desktop</i>                                                     |
| ASUS                           | <i>PEB-10G</i>                                                                 |

| <b>Fibre Channel Controllers</b> |                   |
|----------------------------------|-------------------|
| Vender                           | Model             |
| HP                               | <i>41B/AP767A</i> |
| Qlogic                           | <i>QLE2462</i>    |
| Qlogic                           | <i>QLE2460</i>    |

| <b>InfiniBand Controllers</b> |                    |
|-------------------------------|--------------------|
| Vender                        | Model              |
| Mellonex                      | <i>MHGS18-XTC</i>  |
| Mellonex                      | <i>MHGA28-1TC</i>  |
| Mellonex                      | <i>MHQH19B-XTR</i> |
| Mellonex                      | <i>MHJH29-XTC</i>  |
| QLogic                        | <i>QLE7342</i>     |

| <b>VGA Controllers</b> |                           |
|------------------------|---------------------------|
| <b>Vender</b>          | <b>Model</b>              |
| NVIDIA                 | <i>Quadro 2000</i>        |
| NVIDIA                 | <i>Quadro 400</i>         |
| NVIDIA                 | <i>Quadro 600</i>         |
| NVIDIA                 | <i>Quadro 5000</i>        |
| NVIDIA                 | <i>Quadro 4000</i>        |
| NVIDIA                 | <i>Quadro FX380</i>       |
| NVIDIA                 | <i>Quadro 6000</i>        |
| NVIDIA                 | <i>Quadro K600</i>        |
| NVIDIA                 | <i>Quadro K2000</i>       |
| NVIDIA                 | <i>Quadro K4000</i>       |
| NVIDIA                 | <i>Quadro K5000</i>       |
| NVIDIA                 | <i>Quadro K6000</i>       |
| NVIDIA                 | <i>Geforce GTX770</i>     |
| NVIDIA                 | <i>Geforce GTX TITAN</i>  |
| NVIDIA                 | <i>GeForce GTX580</i>     |
| NVIDIA                 | <i>GeForce GTX590</i>     |
| NVIDIA                 | <i>Tesla K20C</i>         |
| NVIDIA                 | <i>Tesla K40C</i>         |
| NVIDIA                 | <i>Tesla C2075</i>        |
| NVIDIA                 | <i>Tesla M2070</i>        |
| NVIDIA                 | <i>Tesla M2090</i>        |
| INTEL                  | <i>Xeon Phi 3115A</i>     |
| INTEL                  | <i>Xeon Phi 3120A</i>     |
| AMD                    | <i>S10000</i>             |
| AMD                    | <i>Firepro W9000 6G</i>   |
| AMD                    | <i>Firepro W8000 4G</i>   |
| AMD                    | <i>Firepro W7000 4G</i>   |
| AMD                    | <i>Firepro W5000 2G</i>   |
| AMD                    | <i>Firepro V4900 1G</i>   |
| AMD                    | <i>Firepro V7800P</i>     |
| AMD                    | <i>Firepro V5900</i>      |
| AMD                    | <i>Firepro V3800</i>      |
| ASUS                   | <i>R9290X-4GD5-2DIS</i>   |
| ASUS                   | <i>GeForce GTX 560-Ti</i> |

| <b>SATA HDD Devices</b> |                           |
|-------------------------|---------------------------|
